Organoleptic Evaluation

Brilliant pink gold color, and very fine and persistent perlage.

The aroma reminds of little red fruits, raspberry and morello, medlar, marzipan and ginger cookies.

Pleasant but also austere in the mouth, it recalls the olfactory notes of fruits and spices, with a warm and dry, round and very persistent finish.

Food Pairings

It pairs excellently with a Catalan shellfish casserole, baked tasty fish, white meat dishes such as thyme rabbit, and semi-seasoned cheeses.

Also perfect for the entire meal.
